

CORONA

NEIGHBOURLY HELP

You need help?

You need some groceries, to collect a prescription or walk your dog but don't want to leave the house?
That is completely reasonable! We got you covered.

You want to help?

You can collect and deliver prescriptions, go grocery shopping or cook and share meals with people in need?
Great! Then join us to offer your help.

You can contact us via one of the following channels:

Helping done right, but how?

Stay local and steadily help a few people nearby to avoid the potential for chains of infection. Avoid physical contact at all cost! Place groceries at the door, make arrangements via calls, don't shake hands. A smile says it all! :)

The virus can also be transmitted via surfaces, so always disinfect your hands, wear gloves, use contactless payments.
